**Re: American Plumbing and Septic Service LLC and
A American Drain Cleaning & Septic Service
In the Circuit Court of Calhoun County, Alabama
Case No. 11-CV-18-900431**

All consumer payments for financing through GreenSky, LLC remain suspended. The Court has directed GreenSky to turn over records to the Receiver for analysis, and the Receiver is negotiating with GreenSky to arrange for the turnover of those records. Once that turnover is complete, the Receiver has 60 days within which to complete his analysis of those transactions and make a report to the Court. The consumer payments will remain suspended until the conclusion of that process.
